### Q. CHILD CARE

**Q1** CONFIRM WITH RESPONDENT: Are there any children less than 15 years of age living in the household?

- Yes ................................................................. 1
- No ..................................................................... 2 ➔ Q19

**Q2** We begin with some questions about any child care arrangements your household may have, and the costs involved. Are you able to answer these sorts of questions or should we speak to someone else?

*If the person you are interviewing cannot provide the required details about childcare, skip to R1 and leave this part of the form until you can interview the person needed.*

If person not available, record name for future reference

**Q4** Looking at SHOWCARD Q4, at any time in the last 12 months have you used, or thought about using, any of these forms of child care so you (or your partner) could undertake paid work?

You only need to answer “yes” or no”.

(Paid work includes both working for yourself - that is, self-employed in your own business – and working for an employer.)

- Yes ..................................................................... 1
- No ..................................................................... 2 ➔ Q6a

**Q5** Using the scale on SHOWCARD Q5, pick a number between 0 and 10 to indicate how much of a difficulty each of the following have been for you in the last 12 months.

Household spending

R23 I now have some questions about household spending. How much does this household spend on all groceries in a normal week? LIST A on SHOWCARD R23 shows you the type of things to include. Your best guess will do.

R24 And of this amount, about how much of the weekly grocery bill goes on food and drink (but not alcohol)? LIST B on the showcard shows the type of things to include. Your best guess will do.

The gap between this and R23 should be mostly cleaning products and toiletries. If the gap is substantial, or the amounts are the same, probe to check accuracy.

R25 Approximately, how much would this household usually spend per week on meals outside the home; that is, restaurants, take-aways, bought lunches and snacks? Do not include anything spent on alcohol.

Where applicable prompt: Include your children's expenditure (e.g. lunch money, etc.)

R28 CONFIRM POSTAL ADDRESS:

You may have asked this question when completing the HF. If so, do not re-ask, just skip to R29.

Thank you for all the information you have given us.

Can I just confirm that this is the best postal address for this household, or is there a PO box number or some other preferred postal address?
