INTERVIEWER:: Write in the time and date when the interview starts.

001. Interview started at _____ on _____

INTERVIEWER:: Read the following text.

This survey is called the “Family relations and intergenerational support”. It is about topics related to children, partners, parents, work and everyday life. The aim is to study what factors influence family formation, having children, and relations between younger and older generations. The study is part of an international programme co-ordinated by the UN Economic Commission for Europe. Your participation is voluntary, but it is very important because you represent many other people. We will hold the information you give us in the strictest confidence and use it only for statistical processing. It would also be better if we could have this interview without others being present, if possible. If you have any questions, please let me know.

INTERVIEWER:: Write who else is present when the interview starts.
