17th GGP Council meeting - online

The Council meeting took place on Wednesday, June 24, 2020. Due to the contingency measures to contain COVID-19, the meeting was held online. It was a fruitful meeting in which representatives of 29 countries joined the meeting to provide an update about the progress in their country. Another 25 people followed the livestream via YouTube. The documentation of the meeting will soon be added on the [UNECE website](#) and the meeting can be viewed on [YouTube](#).

NEW - Handbook on Demographic Change an the Lifecourse

We would like to draw your attention to the "[Handbook on Demographic Change and the Life Course](#)" which includes a chapter on the GGP entitled "Current and future contributions of the Generations and Gender Programme to life course research". The chapter is written by Luisa Fadel, Tom Emery and Anne H. Gauthier. The pre-print version of this chapter will soon be added on the GGP website for open access.

GGP Founders

In the last months we have highlighted the role of the founding members of the GGP who were present at the first Consortium Meeting in Paris in 2000. This month we highlight the contribution of Prof. Lars Østby to the GGP. Lars has been working as a demographer at Statistics Norway. Please find his contribution to the GGP on our [homepage](#).
